

# OZGUR OZAN CAKMAK

PROGRAMMER, DATA SCIENTIST, PHILOSOPHER, SOCIOLOGIST |  
[HTTP://WWW.GITHUB.COM/OZGURCAKMAK](http://www.github.com/ozgurcakmak)

## SKILLS

I am proficient in those languages:

- C#
- Java
- Python
- T-SQL
- Javascript

I am also getting training on:

- Machine Learning
- Artificial Intelligence
- Deep Learning
- Gamemaker Studio

## EXPERIENCE

### SOFTWARE DEVELOPER • KURGU YAZILIM • 12.09.2014 - 01.01.2018

I was responsible for developing and troubleshooting the problems of the third iteration of MOOS - Muyap Office Automation Software (the software Turkish Phonographic Industry Association (Mü-Yap) was using to handle their daily affairs). Our development stack was running on Java, PostgreSQL and Javascript.

### C# TEACHER • ARIBILGI EDUCATIONAL INSTITUTIONS • 23.07.2015 - 01.02.2016

I taught a semester of classes in C# regarding desktop software creation with C#, web application creation with Asp.Net MVC, Data operations with MSSQL as well as setting up the required tools on the development machine and production server. In addition to these topics I also taught git and basic linux administration out of curriculum as well.

### SOFTWARE DEVELOPER • HOSTAMEDIA • 23.07.2014 - 01.09.2014

I was hired as a teamlead for the development of the midiadia.com who outsourced the development to Hostamedia. We were using C#, MSSQL and Asp.Net for development.

### JUNIOR SOFTWARE DEVELOPER • TURKISH PHONOGRAPHIC INDUSTRY ASSOCIATION • 05.07.2011 - 06.01.2014

I was responsible for developing the second iteration of MOOS for Turkish Phonographic Industry Association. The development stack was running on Java, PostgreSQL and ExtJS 3
